

## **Firsthand Technology Value Fund Announces Completion of Turn Acquisition**

San Jose, CA, June 1, 2017 – Firsthand Technology Value Fund, Inc. (NASDAQ: SVVC) (the “Fund”), a publicly traded venture capital fund that invests in technology and cleantech companies, announced today that it has received approximately \$13.5 million in cash proceeds from the sale of Turn to Amobee.

The Fund’s cost basis in Turn, an advertising technology company, was approximately \$15.6 million. We expect to receive additional consideration at a later date and, if certain conditions are met, the Fund may break even or achieve a nominal gain on the investment. The closing of the sale of Turn marks the fourth M&A exit for the Fund since the beginning of 2016, following those of Gilt Groupe, Tapad, and Mattson Technology.

### **About Firsthand Technology Value Fund**

*The Fund is a non-diversified, closed-end investment company that elected to be treated as a business development company under the Investment Company Act of 1940. The Fund’s investment objective is to seek long-term growth of capital. Under normal circumstances, the Fund will invest at least 80% of its total assets for investment purposes in technology and cleantech companies. An investment in the Fund involves substantial risks, some of which are highlighted below. Please see the Fund’s public filings for more information about fees, expenses and risk. Past investment results do not provide any assurances about future results.*

*CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS: This press release contains "forward-looking statements" as defined under the U.S. federal securities laws. Generally, the words*

*"believe," "expect," "intend," "estimate," "anticipate," "project," "will," and similar expressions identify forward-looking statements, which generally are not historical in nature. Forward-looking statements are subject to certain risks and uncertainties that could cause actual results to materially differ from the Fund's historical experience and its present expectations or projections indicated in any forward-looking statement. These risks include, but are not limited to, changes in economic and political conditions, regulatory and legal changes, technology and cleantech industry risk, valuation risk, non-diversification risk, interest rate risk, tax risk, and other risks discussed in the Fund's filings with the SEC. You should not place undue reliance on forward-looking statements, which speak only as of the date they are made. The Fund undertakes no obligation to publicly update or revise any forward-looking statements made herein. There is no assurance that the Fund's investment objectives will be attained. We acknowledge that, notwithstanding the foregoing, the safe harbor for forward-looking statements under the Private Securities Litigation Reform Act of 1995 does not apply to investment companies such as us.*
