5. **Roku, Inc.** (NASDAQ: ROKU) is a streaming media device provider. As of October 31, 2018, the Fund's investment in Roku consisted of 250,000 shares of common stock and represented approximately 7.5% of the Fund's estimated net assets.*

The Fund also announced that as of October 31, 2018, estimated net assets of the Fund were approximately \$186 million, or \$25.93 per share, including cash and cash equivalents of approximately \$0.01 per share. As of that date, the Fund's top five holdings constituted 92.8% of the Fund's estimated net assets* and 78.3% of the Fund's estimated gross assets.* Complete financial statements and a detailed schedule of investments as of September 30, 2018, are available in the Fund's quarterly report filing on Form 10-Q.

On August 31, 2018, the Fund announced a plan to repurchase up to \$2 million worth of SVVC stock in the open market by March 31, 2019. The Fund completed this open market repurchase plan on October 24, 2018. Through that date, the Fund repurchased 123,376 shares at an average price of \$16.21 per share, for total consideration of \$2.0 million. As of October 31, 2018, the Fund had 7,178,770 shares outstanding.

*Estimated net/gross assets as of October 31, 2018, represent net/gross assets as reported in the Fund's Form 10-Q filing as of September 30, 2018, plus the net change in unrealized appreciation/depreciation and realized gains/losses on publicly traded and private securities since September 30, 2018. For the purposes of calculating the percentage of net assets represented by each investment, the value of each holding is determined by the most recent of: (1) the purchase price, (2) the market value for public securities, less any discounts taken due to restrictions on the stock, or (3) the September 30, 2018, fair value of each security, as determined under procedures approved by our Board of Directors.

The Fund is a non-diversified, closed-end investment company that elected to be treated as a business development company under the Investment Company Act of 1940. The Fund's investment objective is to seek long-term growth of capital. Under normal circumstances, the Fund will invest at least 80% of its total assets for investment purposes in technology and cleantech companies. An investment in the Fund involves substantial risks, some of which are highlighted below. Unlike most business development companies, the Fund is taxed as a corporation rather than a Regulated Investment Company under federal tax laws, based on the composition of its assets. Please see the Fund's public filings for more information about fees, expenses and risk. Past investment results do not provide any assurances about future results.

CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS: This press release contains "forward-looking statements" as defined under the U.S. federal securities laws. Generally, the words "believe," "expect," "intend," "estimate," "anticipate," "project," "will," and similar expressions identify forward-looking statements, which generally are not historical in nature. Forward-looking statements are subject to certain risks and uncertainties that could cause actual results to materially differ from the Fund's historical experience and its present expectations or projections indicated in any forward-looking statement. These risks include, but are not limited to, changes in economic and political conditions, regulatory and legal changes, technology and cleantech industry risk, valuation risk, non-diversification risk, interest rate risk, tax risk, and other risks discussed in the Fund's filings with the SEC. You should not place undue reliance on forward-looking statements, which speak only as of the date they are made. The Fund undertakes no obligation to publicly update or revise any forward-looking statements made herein. There is no assurance that the Fund's investment objectives will be attained. We acknowledge that, notwithstanding the foregoing, the safe harbor for forward-looking statements under the Private Securities Litigation Reform Act of 1995 does not apply to investment companies such as us.
