2021 ANNUAL MEETING OF STOCKHOLDERS

Stockholders of record at the close of business on March 15, 2021 (the “Record Date”) are entitled to notice of and to vote at the Annual Meeting. You are entitled to one vote for each share of common stock you hold at the close of business on the Record Date on each matter on which holders of such shares are entitled to vote. This proxy statement and enclosed proxy are first being mailed to stockholders on or about April 28, 2021.

GENERAL INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

In this section of the proxy statement, we answer some common questions regarding the Annual Meeting and voting at the Annual Meeting.

Q. WHAT AM I BEING ASKED TO CONSIDER AND VOTE ON AT THE ANNUAL MEETING?

A. The matters to be considered and voted upon at the Annual Meeting are:

- The election of two Class I Directors to serve until the Company's 2024 Annual Meeting of Stockholders and until their successors are duly elected and qualify. The directors currently serving in Class I are Greg Burglin and Rodney Yee.
- The ratification of the selection of Tait, Weller & Baker LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2021.
- A BINDING stockholder proposal to terminate the investment advisory and management agreements between the Company and the Investment Advisor.
- The transaction of such other business as may properly come before the Annual Meeting or any postponements or adjournments thereof.

Q. HOW DOES THE BOARD OF DIRECTORS SUGGEST THAT I VOTE?

A. The Board of Directors unanimously recommends that you vote FOR the election of each of its two nominees for director and FOR the ratification of the selection of Tait, Weller & Baker LLP as the Company's independent registered public accounting firm.

The Board of Directors unanimously recommends that you vote "AGAINST" the BINDING stockholder proposal for the important reasons discussed in this proxy statement.

Q. HOW CAN I VOTE?

A. If your shares are held in "Street Name" by a broker or bank, you will receive information regarding how to instruct your bank or broker to vote your shares. If you are a stockholder of record, you may authorize the persons named as proxies on the enclosed proxy card to cast the votes you are entitled to cast at the Annual Meeting by completing, signing, dating and returning the enclosed proxy card. You also have the option of authorizing a proxy to vote your shares by telephone or via internet, by following the instructions in the enclosed proxy card. Stockholders of record as of the close of business on the Record Date, or their duly authorized proxies also may vote in person at the Annual Meeting. However, even if you plan to attend the Annual Meeting, we urge you to return your proxy card or authorize a proxy to vote your shares by telephone or via the internet. That will ensure that your vote is cast should your plans change.

Q. HOW PROXIES WILL BE VOTED?

A. All proxies solicited by the Board of Directors that are properly authorized at or prior to the Annual Meeting, and that are not revoked, will be voted at the Annual Meeting. Votes will be cast in accordance with the instructions specified. If no instructions are specified, the persons named as proxies will cast such votes FOR the election of each of the two nominees for director, FOR the ratification of the selection of Tait, Weller & Baker LLP as the Company's independent registered public accounting firm and AGAINST the BINDING stockholder proposal. We know of no other matters to be properly presented at the Annual Meeting. However, if another proposal is properly presented at the Annual Meeting, the persons named as proxies on the enclosed proxy card will cast votes on each proposal in their sole discretion.

Q. CAN I REVOKE MY PROXY?

A. Yes. At any time before it has been exercised, you may revoke your proxy by:

- sending a letter revoking your proxy to the Secretary of the Company at our offices located at 150 Almaden Boulevard, Suite 1250, San Jose, CA 95113;
- properly executing and sending a later-dated proxy; or
- attending the Annual Meeting, requesting return of any previously delivered proxy, and voting in person. Attendance in person at the Annual Meeting alone will not revoke your proxy.

Q. WHAT CONSTITUTES A QUORUM?

A. The presence, in person or by proxy, of holders of shares entitled to cast a majority of the votes entitled to be cast at the Annual Meeting constitutes a quorum for the purposes of the Annual Meeting. No business may be conducted at the Annual Meeting if a quorum is not present. Abstentions and broker “non-votes” will be counted as present for purposes of determining a quorum. A broker non-vote is a vote that is not cast on a non-routine matter because the shares entitled to cast the vote are held in “street name,” the broker lacks discretionary authority to vote the shares and the broker has not received voting instructions from the beneficial owner.

If a quorum is not present in person or by proxy at the Annual Meeting, the chairman of the Annual Meeting may adjourn the meeting to a date not more than 120 days after the original Record Date without notice other than announcement at the Annual Meeting.

Q. WHAT IS THE REQUIRED VOTE FOR APPROVAL OF EACH PROPOSAL PROPERLY PRESENTED AT THE ANNUAL MEETING?

A. *Proposal One.* The election of each of Messrs. Burglin and Yee as a Class I Director requires the affirmative vote of a plurality of the votes cast at the Annual Meeting. Each share of common stock is entitled to one vote for each of the two directors to be elected at the Annual Meeting. For the purposes of Proposal One, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the election of Messrs. Burglin and Yee. There is no cumulative voting in the election of directors.

Proposal Two. The ratification of the selection of Tait, Weller & Baker LLP as the Company’s independent registered public accounting firm requires the affirmative vote of a majority of the votes cast at the Annual Meeting on the proposal. Each share of common stock is entitled to one vote. For purposes of the vote on Proposal Two, abstentions and broker non-votes, if any, will not be counted as votes cast and will have no effect on the result of the vote. Because the ratification of the appointment of Tait, Weller & Baker LLP is a discretionary item, generally, brokers, banks, trusts or other nominees holding shares that do not receive voting instructions from beneficial owners may vote on this proposal in their discretion.

Proposal Three. The BINDING stockholder proposal to terminate the investment advisory and management agreements between the Company and the Investment Advisor. Approval of this Proposal requires the affirmative vote of the “majority of the outstanding voting securities” of the Company. Under the 1940 Act, a “majority of the outstanding voting securities” is defined as the lesser of: (1) 67% or more of the voting securities of the Company present at the Annual Meeting, if the holders of more than 50% of the outstanding voting securities of the Company are present or represented by proxy; or (2) more than 50% of the outstanding voting securities of the Company.

If the stockholder proponent, or its representative who is qualified under state law, is present at the Annual Meeting and properly submits Proposal 3 for a vote, then Proposal 3 will be voted on at the Annual Meeting. For purposes of the vote on Proposal Three, abstentions and broker non-votes will not be counted as votes cast and will have the effect of vote against the Proposal.

Q. WHAT IF OTHER MATTERS COME UP AT THE ANNUAL MEETING?

A. The Board of Directors does not know of any matters to be properly presented at the Annual Meeting other than those referred to in this proxy statement. If other matters are properly presented at the Annual Meeting (or any postponement or adjournment thereof) for consideration, and you properly authorize a proxy, the persons named as proxy holders will have the discretion to vote on those matters for you.

Q: WHAT ARE THE COVID-RELATED PRECAUTIONS FOR ATTENDING THE ANNUAL MEETING?

A: Under California law, the Company is allowed to hold the Annual Meeting in person provided various requirements are imposed and enforced. Currently these requirements include (i) a guest list, (ii) a seating chart, and (iii) all guests being fully vaccinated. For this reason, any stockholder planning to attend in person should contact the Company at 800.976.8776 to confirm attendance and placement on the guest list and should bring evidence of vaccination. It is possible that state law requirements will change before the Annual Meeting is held or that the Annual Meeting will not be permitted to be held in person. If we instead hold the Annual Meeting by remote communication, we will announce the decision in advance by making a further filing with the Securities and Exchange Commission. Also, if the mitigation measures required under state law change, we will notify any stockholder who has notified the Company about the intention to attend in person.

Q. WHO IS SOLICITING MY VOTE?

A. In this proxy statement, the Board of Directors is soliciting your vote for matters properly submitted for consideration by stockholders at the Annual Meeting.

Q. WHO PAYS FOR THIS SOLICITATION OF PROXIES?

A. The expenses of preparing, printing and mailing the enclosed proxy card, the accompanying notice and this proxy statement, tabulation expenses, and all other costs, in connection with this solicitation of proxies will be borne by the Company. We will also reimburse banks, brokers and others for their reasonable expenses in forwarding proxy solicitation material to the beneficial owners of our shares. Additional solicitation may be made by mail, telephone, telegraph, facsimile or personal interview by representatives of the Company, FCM, our transfer agent, or by brokers or their representatives. We will pay all costs of preparing, assembling, printing and distributing the proxy materials as well as the solicitation of all proxies. We have retained Georgeson LLC to assist in soliciting proxies for a fee of \$5,000, plus reasonable out-of-pocket expenses. We may solicit proxies on behalf of the Board of Directors through the mail, in person, electronically, and by telecommunications. We will, upon request, reimburse brokerage firms and others for their reasonable expenses incurred for forwarding solicitation material to beneficial owners of stock. We will not pay any of our representatives or FCM any additional compensation for their efforts to supplement proxy solicitation.

Q. CAN I VIEW THE PROXY STATEMENT AND ANNUAL REPORT ON THE INTERNET?

A. Yes. The proxy statement and Annual Report are available on the Internet at www.firsthandtvf.com.

This information summarizes information that is included in more detail in the proxy statement. We urge you to read the proxy statement carefully.
If you have questions, call 800.976.8776.

PROPOSAL TWO RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee and the Board of Directors of the Company, including all of the Company's Independent Directors, have selected Tait, Weller & Baker LLP as the independent registered public accounting firm for the Company for the year ending December 31, 2021, and are submitting the selection of Tait, Weller & Baker LLP to the stockholders for ratification.

Tait, Weller & Baker LLP has audited the financial statements of the Company since inception and has informed us that it has no direct or indirect material financial interest in the Company or in FCM.

A representative of Tait, Weller & Baker LLP will be present at the Annual Meeting to make a statement, if such representative so desires, and to respond to stockholders' questions.

The Audit Committee normally meets two times each year with representatives of Tait, Weller & Baker LLP to discuss the scope of its engagement, and review the financial statements of the Company and the results of its examination.

INDEPENDENT ACCOUNTING FEES AND POLICIES

AUDIT AND RELATED FEES

Audit Fees. The aggregate fees billed to us by Tait, Weller & Baker LLP during fiscal years 2019 and 2020 for professional services rendered with respect to the audit of our financial statements were \$37,500 and \$37,500, respectively.

Audit-Related Fees. For professional services for assurance and related services reasonably related to the performance of the audits of our annual financial statements for fiscal years 2019 and 2020, we were billed by Tait, Weller & Baker LLP for fees in the amounts of \$9,000 and \$9,000, respectively.

Tax Fees. For professional services for tax compliance, tax advice and tax planning for fiscal years 2019 and 2020, we were billed by Tait, Weller & Baker LLP for fees in the amounts of \$5,000 and \$5,000, respectively.

All Other Fees. We were not billed by Tait, Weller & Baker LLP for any fees for services other than those described above during either of the past two fiscal years.

Aggregate Non-Audit Fees. We were not billed by Tait, Weller & Baker LLP for any amounts for any non-audit services during either of the past two fiscal years. In addition, neither FCM nor any entity controlling, controlled by, or under common control with FCM that provides ongoing services to us, was billed by Tait, Weller & Baker LLP for any non-audit services during either of the last two fiscal years.

AUDIT COMMITTEE PRE-APPROVAL POLICIES AND PROCEDURES

Before the auditor is engaged (i) by us to render audit, audit related or permissible non-audit services to us or (ii) with respect to non-audit services to be provided by the auditor to FCM or any entity in the investment company complex, if the nature of the services provided relate directly to our operations or financial reporting, either: (a) the Audit Committee shall pre-approve such engagement; or (b) such engagement shall be entered into pursuant to pre-approval policies and procedures established by the Audit Committee. Any such policies and procedures must be detailed as to the particular service and not involve any delegation of the Audit Committee's responsibilities to FCM. The Audit Committee may delegate to one or more of its members the authority to grant pre-approvals. The pre-approval policies and procedures shall include the requirement that the decisions of any member to whom authority is delegated under this provision shall be presented to the full Audit Committee at its next scheduled meeting. Under certain limited circumstances, pre-approvals are not required if certain de minimis thresholds are not exceeded, as such thresholds are set forth by the Audit Committee and in accordance with applicable SEC rules and regulations.

For engagements with Tait, Weller & Baker LLP, the Audit Committee approved in advance all audit services and non-audit services that Tait, Weller & Baker LLP provided to us (with respect to our operations and financial reporting). None of the services rendered by Tait, Weller & Baker LLP to us or FCM were pre-approved by the Audit Committee pursuant to the pre-approval exception under Rule 2.01(c)(7)(i)(C) or Rule 2.01(c)(7)(ii) of Regulation S-X. The Audit Committee has considered whether the provision of non-audit services rendered by Tait, Weller & Baker LLP to FCM and any entity controlling, controlled by, or under common control with FCM that were not required to be pre-approved by the Audit Committee is compatible with maintaining Tait, Weller & Baker LLP's independence.

AUDIT COMMITTEE REPORT

The Audit Committee (the "Audit Committee") of the Board of Directors (the "Board") of Firsthand Technology Value Fund, Inc. (the "Company") is responsible for assisting the Board in monitoring (1) the accounting and reporting policies and procedures of the Company, (2) the quality and integrity of the Company's financial statements, (3) the Company's compliance with regulatory requirements, and (4) the independence and performance of the Company's independent auditors. Among other responsibilities, the Audit Committee reviews, in its oversight capacity, the Company's annual financial statements with both management and the independent auditors and the Audit Committee meets periodically

with the independent auditors to consider their evaluation of the Company's financial and internal controls. The Audit Committee also selects, retains, evaluates and may replace the Company's independent auditors and determines their compensation, subject to ratification of the Board, if required. The Audit Committee is currently composed of three Directors. The Audit Committee operates under a written charter (the "Audit Committee Charter") adopted and approved by the Board. Each committee member is "independent" in accordance with Nasdaq Stock Market corporate governance regulations.

The Audit Committee, in discharging its responsibilities, has met with and held discussions with management and the Company's independent auditors. The Audit Committee has reviewed and discussed the Company's audited financial statements with management. Management has represented to the independent auditors that the Company's financial statements were prepared in accordance with generally accepted accounting principles. The Audit Committee has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communications with Audit Committees). The Audit Committee has received the written disclosures and the letter from the Company's independent auditors required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditors' communications with the Audit Committee concerning independence, and has discussed with the independent auditors the independent auditors' independence. As provided in the Audit Committee Charter, it is not the Audit Committee's responsibility to determine, and the considerations and discussions referenced above do not ensure, that the Company's financial statements are complete and accurate and presented in accordance with generally accepted accounting principles.

Based on the Audit Committee's review and discussions with management and the independent auditors, the representations of management and the report of the independent auditors to the Audit Committee, the committee has recommended that the Board include the audited financial statements in the Company's Annual Report on Form 10-K.

BOARD RECOMMENDATION

THE BOARD OF DIRECTORS OF THE COMPANY, INCLUDING ALL OF THE INDEPENDENT DIRECTORS, UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THE RATIFICATION OF TAIT, WELLER & BAKER LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

PROPOSAL THREE (BINDING Stockholder Proposal)

Stockholder Proposal to terminate the investment advisory and management agreements between Firsthand Technology Value Fund, Inc. and Firsthand Capital Management, Inc.

A stockholder, Donald Chambers, submitted the following proposal for inclusion in the Company's proxy materials. If the stockholder, or a representative of the stockholder who is qualified under state law, is present and properly submits the proposal for a vote, then the proposal will be voted on at the Annual Meeting. The Board of Directors unanimously recommends that you vote AGAINST the proposal. The proposal and the stockholder's supporting statement, exactly as received from the stockholder, are set forth below and are followed by the Board's explanation of its reasons for opposing the proposal. The Company will provide Mr. Chambers's address and number of shares held promptly upon oral or written request.

STOCKHOLDER PROPOSAL

RESOLVED: All investment advisory and management agreements between The Firsthand Technology Value Fund, Inc. and Firsthand Capital Management, Inc. shall be terminated.

REPRINTED SUPPORTING STATEMENT FROM STOCKHOLDER

Supporting Statement:

I urge shareholders to vote “Yes” to this proposal for the following reasons (based on information, belief and personal computations):

The fees being paid to Firsthand Capital Management and the poor performance of SVVC’s assets must end. The total annualized compounded since-inception market returns of SVVC and two relevant benchmarks over the life of SVVC through October 30, 2020 are:

Ticker	Description	Annual Return 4/28/2001 -10/30/2020
SVVC	SVVC w/Market Price	-15.4%
VTI	Total stock market ETF	11.6%
VB	Small stocks ETF	8.9%

SVVC’s since-inception return has been disastrous, and inferior to any relevant benchmark including BDCS (with an analogous return of 1.7%). Basing SVVC’s since-inception annualized total return on its recent NAV (\$13.81) generates a small negative return (-1.0%). But that highlights the crux of the problem: SVVC’s NAV vastly exceeds the market price. SVVC’s 2% annual management fee (on gross assets) is roughly an 8.9% annual fee based on the recent market value of the equity (\$3.09 on 10/20/20). Accordingly, the discount of SVVC’s market price to its NAV has been very large - recently well over 70%.

Disastrous investment decisions and exorbitant fees have been destroying SVVC. In response, shareholders overwhelmingly approved Proposal #3 at the 2020 annual shareholders meeting urging Directors to: “...seek and pursue any and all measures...to allow shareholders to exit SVVC near its NAV” including orderly termination, liquidation, mergers, or other measures.

The current investment advisory contract and fees were presumably formed based on ongoing selection and management of portfolio companies. Based on overwhelming shareholder support for Proposal #3, such services can be more effectively provided by the Board without the existing investment advisory agreements with Firsthand Capital Management, Inc.

This proposal does not prevent the Fund’s Board of Directors from overseeing the Fund’s investments. This proposal also does not prevent the Board from executing an orderly exit through liquidation, merger or other measures as shareholders requested. It simply removes the current investment advisor and in so doing: (1) Terminates the huge NAV-based management fees that are draining the Fund’s resources, and (2) Removes incentives of the extant investment advisor to delay an orderly liquidation of the Fund’s assets.

The enormous NAV-based fees and the disastrous investments must end.

Disclosure: Mr. Chambers is a part-time employee (Senior Investment Strategist) of Biltmore Capital Advisors (BCA) which manages shares of SVVC on behalf of its clients. Mr. Chambers has recused himself from all decisions at BCA regarding SVVC transactions or voting while this proposal is under consideration.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE AGAINST THIS BINDING STOCKHOLDER PROPOSAL FOR THE REASONS SET FORTH BELOW.

THE BOARD'S OPPOSING STATEMENT

The Board of Directors of the Company and the Independent Directors strongly oppose this proposal. The proposal has been submitted by an opportunistic dissident stockholder seeking quick short-term gains at the expense of long-term stockholders. The strategy employed by the Company, a publicly-traded venture capital fund, requires considerable time and close attention, and often considerable follow-on investments, to realize potential returns. Actions pursued, including the dismissal of management, with the goal of short-term gains in stock price would interfere with the Company's ability to realize potential long-term gains from significant portions of the Company's current investment portfolio and other investments under consideration.

No Plan for Management Following Termination

The Board believes that approval of the proposal would likely severely impair the short-term and long-term value of the Company's investment portfolio because, among other reasons, the dissident stockholder has not provided any plan for the management of the Company's investments after a termination of the investment management agreement. Terminating the investment management agreement without specifying a viable alternative has significant negative implications for the Company and is not in the best interests of all stockholders. The termination of the investment management agreement without a successor in place would lead to considerable disruptions in the Company's investment process. Mr. Chambers suggests that the Board of Directors of the Company could take responsibility for overseeing the Company's investments. However, given the Company's technical and sophisticated investment strategy of technology venture capital investing, it is not appropriate for Directors (who are neither venture capital investors nor fund managers) to manage the Company for any length of time. The Board cannot ascertain whether Mr. Chambers's action, which is deliberately designed to orphan the Company, is designed to create a vacuum so that Mr. Chambers's firm can bid for the contract. However, the Board notes that Mr. Chambers's investment advisory firm, Biltmore Capital Advisors (BCA), appears to have no experience managing venture capital portfolios or business development companies, which have numerous complex regulatory requirements.

Proponent's Firm Has Already Sold Out

On February 10, 2021, just one day after SVVC stock achieved its highest closing price (\$7.21) in more than a year, BCA disclosed that it had liquidated its entire position in SVVC. Furthermore, according to BCA's regulatory filings with the SEC, BCA was busy selling SVVC stock while Mr. Chambers was hyping the possibility of shareholder activism in a Seeking Alpha post in October 2020. And this is not the first instance of such behavior: between the time Mr. Chambers submitted his initial stockholder proposal in 2019 and the date of the 2020 Meeting of Stockholders, BCA sold 172,755 shares. BCA and Mr. Chambers are clearly not taking action on behalf of the long-term investors in the Company, but rather in their own short-term self-interest.

Proponent is a Self-Described Market Timer

The Board believes stockholders should bear in mind that Mr. Chambers and his firm are not long-term investors, but rather short-term market timers attempting to extract quick gains at the expense of long-term holders through creating turmoil and disruption at the Company and other funds. In fact, BCA's website describes its closed-end fund strategy as such: "Biltmore Capital Advisors seeks to generate alpha (return above a certain benchmark) by timing in and out of closed-end funds (CEFs)..." This fact explains why the proponent doesn't appear to be concerned with who would manage the Company upon termination of the Investment Advisor. As a trader, he does not benefit from a long-term upward trend of the Company. Instead, he benefits from volatility, which is generated when there are dramatic events like termination proposals.

Proponent Provides Misleading Performance Information

The comparative performance table contained in Mr. Chambers's proposal presents misleading historical performance data that is, at best, sloppy and, at worst, intentionally misleading. The proponent claims to be presenting performance since the Company's inception on "4/28/2001." However, the Fund's inception date is 4/18/2011 and the Company's stock first traded on 4/19/2011. Giving Mr. Chambers the benefit of the doubt that he mis-typed "2001" instead of "2011," it doesn't excuse the fact that 4/28/2011 is not the Company's inception date and, in fact, the Company's closing price on 4/28/2011 is 40% higher than its first closing price on 4/19/2011. While we might expect inexperienced investors to make this mistake, we cannot believe that Mr. Chambers, a Senior Investment Strategist at Biltmore Capital Advisors, who presumably has access to a Bloomberg Terminal, would make this mistake.

Unique SPAC Expertise Required in this Extraordinary Time

In normal times, the management of a venture capital fund requires special expertise. The Board believes FCM has such expertise and has provided valuable services to the Company. Many shareholders may realize 2020 and 2021 are not normal times. The stock market has embraced the use of special purpose acquisition companies (SPACs) to bring companies to the public market. FCM believes the Company has one or more portfolio companies among our top holdings that may be ideal targets for SPAC transactions. If the Company were to pursue such opportunities in 2021 and beyond, the SPAC expertise of FCM would be extremely important. A termination of the investment management agreement with FCM, leaving no portfolio management and deal-making expert at the helm during such a critical juncture, could be harmful to the Company.

Your Board is confident the Investment Advisor is acting in the best interest of all stockholders and will create the most value by continuing to execute on its strategic plans to grow the underlying value of the Company. In light of the Company's performance and the significant potential damage that would result from removing the Company's management without a suitable replacement, your Board strongly recommends you vote AGAINST the proposal.

COMPENSATION DISCUSSION AND ANALYSIS

Pursuant to an investment management agreement between FCM (our external manager) and us, our external manager is responsible for supervising the investments and reinvestments of the Company’s assets. Our external manager, at its own expense, maintains staff and employs personnel as it determines is necessary to perform its obligations under the investment management agreement. We pay management fees to our external manager for its advisory and other services performed under the investment management agreement.

Our executive officers who manage our regular business are employees of our external manager or its affiliates. Accordingly, we do not directly pay any salaries, bonuses, or other compensation to our executive officers. We do not have employment agreements with our executive officers. We do not provide pension or retirement benefits, perquisites, or other personal benefits to our executive officers. We do not maintain any compensation plans under which our equity securities are authorized for issuance. We do not have arrangements to make payments to our executive officers upon their termination or in the event of a change in control of the Company.

The investment management agreement does not require our external manager to dedicate specific personnel to fulfilling its obligation to us under the investment management agreement, or require personnel to dedicate a specific amount of time. In their capacities as executive officers or employees of our external manager or its affiliates, they devote a portion of their time to our affairs as required for the performance of the duties of our external manager under the investment management agreement.

Our executive officers are compensated by our external manager. We understand that our external manager takes into account the performance of the Company as a factor in determining the compensation of certain of its senior managers, and such compensation may be increased depending on the Company's performance. In addition to compensation for services performed for the Company, certain of our executive officers receive compensation for services performed for various investment funds of our external manager. However, our external manager cannot segregate and identify that portion of the compensation awarded to, earned by, or paid to our executive officers that relates exclusively to their services to us. Our external manager compensates our Chief Compliance Officer, subject to reimbursement by us of a portion of the related costs of that Officer's services to us, all based on terms and in amounts determined and approved by our Board of Directors.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

We have entered into the investment management agreement with FCM, in which the chairman of our Board of Directors and our Chief Executive Officer and Chief Financial Officer have ownership and financial interests. The other investment professionals of the Investment Adviser may also serve as principals of other investment managers affiliated with FCM that may currently and also in the future manage investment funds with investment objectives similar to ours. In addition, our current executive officers and directors, the Chief Financial Officer and Chief Compliance Officer, and the other senior investment professionals whom FCM currently retains, serve or may serve as officers, directors, or principals of entities that operate or may operate in the same or related line of business as we do or of investment funds managed by our affiliates. Accordingly, we may not be given the opportunity to participate in certain investments made by investment funds managed by advisers affiliated with FCM. However, FCM intends to allocate investment opportunities in a fair and equitable manner consistent with our investment objectives and strategies so that we are not disadvantaged in relation to any other client of the Investment Adviser.

CORPORATE GOVERNANCE

BOARD LEADERSHIP STRUCTURE

The Company’s business and affairs are managed under the direction of its Board of Directors, including the responsibilities performed for us pursuant to our investment management agreement. Among other things, the Board of Directors sets broad policies for the Company; approves the appointment of the Company’s investment adviser,

administrator, and officers; and approves the engagement, and reviews the performance of, the Company's independent registered accounting firm. The role of the Board and of any individual director is one of oversight and not of management of the day-to-day affairs of the Company.

The Board of Directors currently consists of five directors, four of whom are not "interested persons," as defined in the 1940 Act. We refer to these individuals as our "Independent Directors." As part of each regular Board meeting, the Independent Directors meet separately from management and, as part of at least one Board meeting each year, with the Company's Chief Compliance Officer. The Board reviews its leadership structure periodically as part of its annual self-assessment process and believes that its structure is appropriate to enable the Board to exercise its oversight of the Company.

Under the Company's Bylaws, the Chairman of the Board presides over meetings of the Board of Directors and the Board of Directors may designate a chairman to preside over meetings of stockholders, and to perform such other duties as may be assigned to him or her by the Board. The Company does not have an established policy as to whether the Chairman of the Board shall be an Independent Director and believes that its flexibility to determine its Chairman and reorganize its leadership structure from time to time is in the best interests of the Company and its stockholders.

Presently, Mr. Landis serves as Chairman of the Board of Directors. Mr. Landis is an "interested person" of the Company, as defined in the 1940 Act, by virtue of his employment relationship with FCM. The Company believes that Mr. Landis's history with the Company, familiarity with FCM's investment platform and extensive experience in the field of technology-related investments qualifies him to serve as the Chairman of the Board. The Board has determined that the composition of the Audit, Valuation, Compensation, and Nominating Committees are appropriate means to address any potential conflicts of interest that may arise from the Chairman's status as an interested person of the Company. The Board of Directors believes that this Board leadership structure—a combined Chairman of the Board and Chief Executive Officer and committees led by Independent Directors—is the optimal structure for the Company at this time. Since the Chief Executive Officer has the most extensive knowledge of the various aspects of the Company's business and is directly involved in managing both the day-to-day operations and long-term strategy of the Company, the Board has determined that Mr. Landis is the most qualified individual to lead the Board and serve in the key position as Chairman. The Board has also concluded that this structure allows for efficient and effective communication with the Board.

The Board of Directors does not currently have a designated lead independent director. Instead, all of the Independent Directors play an active role on the Board of Directors. The Independent Directors compose a majority of the Board of Directors, and are closely involved in all material deliberations related to the Company. The Board of Directors believes that, with these practices, each Independent Director has an equal stake in the Board's actions and oversight role and equal accountability to the Company and its stockholders.

BOARD ROLE IN RISK OVERSIGHT

The Board oversees the services provided by FCM, including certain risk management functions. Risk management is a broad concept composed of many disparate elements (such as, for example, investment risk, issuer and counterparty risk, compliance risk, operational risk, and business continuity risk). Consequently, Board oversight of different types of risks is handled in different ways, and the Board implements its risk oversight function both as a whole and through Board committees. In the course of providing oversight, the Board and its committees receive reports on the Company's activities, including regarding the Company's investment portfolio and its financial accounting and reporting. The Board also reviews reports at least quarterly, and meets at least once annually with the Company's Chief Compliance Officer, who reports on the compliance of the Company with the federal securities laws and the Company's internal compliance policies and procedures. The Audit Committee's meetings with the Company's independent public accounting firm also contribute to its oversight of certain internal control risks. In addition, the Board meets periodically with representatives of the Company and FCM to receive reports regarding the management of the Company, including certain investment and operational risks, and the Independent Directors are encouraged to communicate directly with senior management.

The Company believes that the Board's roles in risk oversight must be evaluated on a case-by-case basis and that its existing role in risk oversight is appropriate. Management believes that the Company has robust internal processes in place and a strong internal control environment to identify and manage risks. However, not all risks that may affect the Company can be identified or processes and controls developed to eliminate or mitigate their occurrence or effects, and some risks are beyond any control of the Company or FCM, its affiliates, or other service providers.

ANTI HEDGING POLICY

The Company has an anti-hedging policy applicable to directors and officers. The policy prohibits directors and officers from engaging in, among other things, short sales, hedging transactions, or trading in put and call options with respect to the Company's securities. The Company believes that prohibiting these types of transactions will help ensure that the economic interests of all directors, officers, and employees will not differ from the economic interests of the Company's stockholders.

NOMINEES FOR DIRECTOR

The Nominating Committee evaluates candidates' qualifications for Board membership. The Nominating Committee takes diversity of a particular candidate and overall diversity of the Board into account when considering and evaluating candidates for Director. While the Nominating Committee has not adopted a particular definition of diversity or a particular policy with regard to the consideration of diversity in identifying candidates, when considering a candidate's and the Board's diversity, the Nominating Committee generally considers the manner in which each candidate's leadership, independence, interpersonal skills, financial acumen, integrity and professional ethics, educational and professional background, prior director or executive experience, industry knowledge, business judgment and specific experiences or expertise would complement or benefit the Board and, as a whole, contribute to the ability of the Board to oversee the Company. The Nominating Committee may also consider other factors or attributes as it may determine appropriate in its judgment. The Nominating Committee believes that the significance of each candidate's background, experience, qualifications, attributes or skills must be considered in the context of the Board as a whole. As a result, the Nominating Committee has not established any litmus test or quota relating to these matters that must be satisfied before an individual may be nominated to serve as a Director. The Board believes that Board effectiveness is best evaluated at a group level, through its annual self-assessment process. Through this process, the Board considers whether the Board as a whole has an appropriate level of sophistication, skill and business acumen and the appropriate range of experience and background.

Stockholders may recommend candidates to our Board. Any recommendation should include any supporting material the stockholder considers appropriate in support of that recommendation, but must include information that would be required under the rules of the SEC to be included in a proxy statement soliciting proxies for the election of such candidate and a written consent of the candidate to serve as one of our directors if elected. All recommendations for nomination received by the Secretary will be presented to the Nominating Committee for its consideration.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement and annual report addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies.

This year a number of brokers with account holders who are the Company’s stockholders will be “householding” its proxy materials. A single proxy statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. If you have received notice from your broker that it will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in “householding” and would prefer to receive a separate proxy statement and annual report, please notify your broker. Stockholders who currently receive multiple copies of the proxy statement and annual report at their addresses and would like to request “householding” of their communications should contact their brokers.

STOCKHOLDER PROPOSALS

Our current Bylaws provide that in order for a stockholder to nominate a candidate for election as a director at an annual meeting of stockholders or propose business for consideration at such meeting, written notice containing the information required by the current Bylaws must be delivered to the Secretary of the Company at 150 Almaden Boulevard, Suite 1250, San Jose, CA 95113 not earlier than the 150th day nor later than 5:00 p.m., Pacific Time, on the 120th day prior to the first anniversary of the date our proxy statement was released to stockholders for the preceding year’s annual meeting; provided, however that in the event that the date of the annual meeting is advanced or delayed by more than 30 days from the first anniversary of the date of the preceding year’s annual meeting, notice by the stockholder to be timely must be so delivered not earlier than the 150th day prior to the date of such annual meeting and not later than 5:00 p.m., Pacific Time, on the later of the 120th day prior to the date of such annual meeting or the tenth day following the day on which public

Accordingly, a stockholder nomination or proposal intended to be considered at the 2022 Annual Meeting of Stockholders must be received by the Secretary of the Company on or after November 29, 2021, and prior to 5:00 p.m. Pacific Time on December 29, 2021. Accordingly, a stockholder's proposal under Rule 14a-8(e) must be received by us on or before December 29, 2021 in order to be included in our proxy statement and proxy card for the 2022 Annual Meeting of Stockholders.
