GENERAL INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

In this section of the proxy statement, we answer some common questions regarding the Annual Meeting and voting at the Annual Meeting.

Q. WHAT AM I BEING ASKED TO CONSIDER AND VOTE ON AT THE ANNUAL MEETING?

A. The matters to be considered and voted upon at the Annual Meeting are:

- The election of the Class III Directors to serve until the Company's 2026 Annual Meeting of Stockholders and until their successors are duly elected and qualify. The directors currently serving in Class III are Kevin Landis and Kimun Lee.
- The ratification of the appointment of Tait, Weller & Baker LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2023.
- A non-binding stockholder proposal.
- The transaction of such other business as may properly come before the Annual Meeting or any postponements or adjournments thereof.

Q. HOW DOES THE BOARD OF DIRECTORS SUGGEST THAT I VOTE?

A. The Board of Directors unanimously recommends that you vote FOR the election of its nominees for director and FOR the ratification of the appointment of Tait, Weller & Baker LLP as the Company's independent registered public accounting firm.

The Board of Directors unanimously recommends that you vote AGAINST the non-binding stockholder proposal for the important reasons discussed in this proxy statement.

Star Equity Fund, LP ("Star Equity"), a dissident stockholder, has nominated two insurgent director candidates for election to the Board of Directors at the Annual Meeting in opposition to the nominees recommended by the Board of Directors. As a result, you may receive solicitation materials, including a WHITE proxy card, from Star Equity seeking your proxy to vote for the Star Equity nominees. The Board of Directors has not approved or nominated, and does not endorse or support, any of Star Equity's insurgent director nominees. **WE URGE YOU NOT TO SIGN OR RETURN ANY WHITE PROXY CARD SENT TO YOU BY STAR EQUITY, EVEN AS A PROTEST VOTE AGAINST STAR EQUITY AND ITS INSURGENT DIRECTOR CANDIDATES.** Instead, our Board of Directors recommends that you vote FOR the Board of Directors' director nominees named in this proxy statement.

If you have previously signed a proxy card from Star Equity, you can revoke the earlier proxy and vote for our nominees, by signing, dating and returning the enclosed BLUE proxy card in the enclosed postage-paid envelope, or by authorizing your proxy electronically via the Internet using the Internet address on the BLUE proxy card or by telephone using the toll-free number on the BLUE proxy card. Only the latest-dated and validly executed proxy that you submit will count at the Annual Meeting.

Q. HOW CAN I VOTE?

A. If your shares are held in "Street Name" by a broker or bank, you will receive information regarding how to instruct your bank or broker to vote your shares. If you are a stockholder of record, at the close of business on the Record Date, you may authorize the persons named as proxies on the enclosed BLUE proxy card to cast the votes you are entitled to cast at the Annual Meeting by completing, signing, dating and returning the enclosed BLUE proxy card. You also have the option of authorizing a proxy to vote your shares by telephone or via Internet, by following the instructions in the enclosed BLUE proxy card. Stockholders of record as of the close of business on the Record Date, or their duly authorized proxies, also may vote virtually at the Annual Meeting. However, even

if you plan to attend the Annual Meeting, we urge you to return your proxy card or authorize a proxy to vote your shares by telephone or via the Internet. Authorizing a proxy to vote your shares will ensure that your vote is cast should your plans change.

Star Equity has nominated two insurgent director candidates for election to the Board of Directors at the Annual Meeting in opposition to the nominees recommended by our Board of Directors. As a result, you may receive solicitation materials, including a WHITE proxy card, from Star Equity seeking your proxy to vote for the Star Equity nominees. The Company is not responsible for the accuracy of any information provided by or relating to Star Equity contained in any proxy solicitation materials filed or disseminated by or on behalf of Star Equity or any other statements that Star Equity may otherwise make.

Q. HOW PROXIES WILL BE VOTED?

A. All proxies solicited by the Board of Directors that are properly authorized at or prior to the Annual Meeting, and that are not revoked, will be voted at the Annual Meeting. Votes will be cast in accordance with the instructions specified. If no instructions are specified, the persons named as proxies will cast such votes FOR the election of the nominees for director, FOR the ratification of the selection of Tait, Weller & Baker LLP as the Company's independent registered public accounting firm and AGAINST the non-binding stockholder proposal. We know of no other matters to be properly presented at the Annual Meeting. However, if another proposal is properly presented at the Annual Meeting, the persons named as proxies on the enclosed proxy card will cast votes on such proposal in their sole discretion.

Q. CAN I REVOKE MY PROXY?

A. Yes. At any time before it has been exercised, you may revoke your proxy by:

- sending a letter revoking your proxy to the Secretary of the Company at our offices located at 150 Almaden Boulevard, Suite 1250, San Jose, CA 95113;
- properly executing and sending a later-dated proxy card; or
- attending the Annual Meeting, requesting return of any previously delivered proxy, and voting at the Annual Meeting. Attendance at the Annual Meeting alone will not revoke your proxy.

Q. IF I HAVE ALREADY AUTHORIZED MY PROXY TO VOTE FOR STAR EQUITY'S NOMINEES FOR ELECTION AS DIRECTORS , IS IT TOO LATE TO CHANGE MY MIND?

A. No. To change your vote, simply sign, date and return the enclosed BLUE proxy card in the enclosed postage-paid envelope, or authorize a proxy to vote by telephone or via the Internet in accordance with the instructions in the BLUE proxy card. We strongly urge you to revoke any proxy card you may have returned to Star Equity. Only your latest dated proxy will count at the Annual Meeting.

Q. WHAT CONSTITUTES A QUORUM?

A. The presence, in person or by proxy, of holders of shares entitled to cast a majority of the votes entitled to be cast at the Annual Meeting constitutes a quorum for the purposes of the Annual Meeting. No business may be conducted at the Annual Meeting if a quorum is not present. Abstentions and broker "non-votes," if any, will be counted as present for purposes of determining a quorum. A broker non-vote is a vote that is not cast on a non-routine matter because the shares entitled to cast the vote are held in "street name," the broker lacks discretionary authority to vote the shares and the broker has not received voting instructions from the beneficial owner.

If a quorum is not present in person or by proxy at the Annual Meeting, the chairman of the Annual Meeting may adjourn the meeting to a date not more than 120 days after the original Record Date without notice other than announcement at the Annual Meeting.

Q. WHAT IS THE REQUIRED VOTE FOR APPROVAL OF EACH PROPOSAL PROPERLY PRESENTED AT THE ANNUAL MEETING?

A. *Proposal One.* The election of Kevin Landis and Kimun Lee as Class III Directors requires the affirmative vote of a majority of the votes entitled to be cast at the Annual Meeting. Each share of common stock is entitled to one vote in the election of the directors nominated at the Annual Meeting. For the purposes of Proposal One, abstentions and broker non-votes will not be counted as votes cast and will have the effect of a vote against the election of Messrs. Landis and Mr. Lee. There is no cumulative voting in the election of directors.

Proposal Two. The ratification of the appointment of Tait, Weller & Baker LLP as the Company's independent registered public accounting firm requires the affirmative vote of a majority of the votes cast at the Annual Meeting on the proposal. Each share of common stock is entitled to one vote. For purposes of the vote on Proposal Two, abstentions and broker non-votes, if any, will not be counted as votes cast and will have no effect on the result of the vote.

Proposal Three. The non-binding stockholder proposal requesting that the Board of Directors take action to replace the current investment advisor of the Company requires approval of the affirmative vote of a majority of the votes cast at the Annual Meeting on the proposal. If the stockholder proponent, or its representative who is qualified under state law, is present at the Annual Meeting and properly submits Proposal Three for a vote, then Proposal Three will be voted on at the Annual Meeting. For purposes of the vote on Proposal Three, abstentions and broker non-votes, if any, will not be counted as votes cast and will have no effect on the vote on the proposal. As an advisory vote, if approved, Proposal Three would be a non-binding recommendation to the Board of Directors.

Q. WHAT IF OTHER MATTERS COME UP AT THE ANNUAL MEETING?

A. The Board of Directors does not know of any matters to be properly presented at the Annual Meeting other than those referred to in this proxy statement.

If other matters are properly presented at the Annual Meeting (or any postponement or adjournment thereof) for consideration, and you properly authorize a proxy, the persons named as proxy holders will have the discretion to vote on those matters for you.

Q: HOW DO I ATTEND AND VOTE AT THE ANNUAL MEETING?

A: Any stockholder as of the close of business on the Record Date or their duly authorized proxies may attend the Annual Meeting. If you are a record stockholder, you do not need to register to attend the Annual Meeting. You will be able to attend the Annual Meeting online and submit your questions during the Annual Meeting by visiting www.meetnow.global/MRRLUTC. You also will be able to vote your shares electronically as part of the Annual Meeting webcast. Please follow the instructions on the proxy card that you received.

To participate in the Annual Meeting, you will need to review the information included on your proxy card or on the instructions that accompanied your proxy materials.

Obtaining a legal proxy from your broker or nominee may take several days. Requests for registration must be labeled as "Legal Proxy" and should be received by USProxyServices@georgeson.com via email using the instructions below by no later than 5:00 p.m., Eastern Time, on May 24, 2023 to ensure ample time to provide your confirmation of registration to be admitted to the meeting.

Q. WHO IS SOLICITING MY VOTE?

A. In this proxy statement, the Board of Directors is soliciting your vote for matters properly submitted for consideration by stockholders at the Annual Meeting.

Q. WHO PAYS FOR THIS SOLICITATION OF PROXIES?

A. We will also reimburse banks, brokers and others for their reasonable expenses in forwarding proxy solicitation material to the beneficial owners of our shares. Additional solicitation may be made by mail, telephone, telegraph, facsimile or personal interview by representatives of the Company, FCM, our transfer agent, or by brokers or their representatives. We will pay all costs of preparing, assembling, printing and distributing the proxy materials as well as the solicitation of all proxies. We have retained Georgeson LLC to assist in soliciting proxies for a fee of \$7,500, plus reasonable out-of-pocket expenses. We may solicit proxies on behalf of the Board of Directors through the mail, in person, electronically, and by telecommunications. We will, upon request, reimburse brokerage firms and others for their reasonable expenses incurred for forwarding solicitation material to beneficial owners of stock. We will not pay any of our representatives or FCM any additional compensation for their efforts to supplement proxy solicitation.

Q. CAN I VIEW THE PROXY STATEMENT AND ANNUAL REPORT ON THE INTERNET?

A. Yes. The proxy statement and Annual Report are available on the Internet at www.firsthandtvf.com.

This information summarizes information that is included in more detail in the proxy statement. We urge you to read the proxy statement carefully. If you have questions, call 800.976.8776.

The Audit Committee normally meets two times each year with representatives of Tait, Weller & Baker LLP to discuss the scope of its engagement and review the financial statements of the Company and the results of its examination.

INDEPENDENT ACCOUNTING FEES AND POLICIES

AUDIT AND RELATED FEES

Audit-Related Fees. For professional services for assurance and related services reasonably related to the performance of the audits of our annual financial statements for fiscal years 2021 and 2022, we were billed by Tait, Weller & Baker LLP for fees in the amounts of \$16,500 and \$13,575, respectively.

Tax Fees. For professional services for tax compliance, tax advice and tax planning for fiscal years 2021 and 2022, we were billed by Tait, Weller & Baker LLP for fees in the amounts of \$14,000 and \$11,200, respectively.

In addition, neither FCM nor any entity controlling, controlled by, or under common control with FCM that provides ongoing services to us, was billed by Tait, Weller & Baker LLP for any non-audit services during either of the last two fiscal years.

AUDIT COMMITTEE PRE-APPROVAL POLICIES AND PROCEDURES

Before the auditor is engaged by us (i) to render audit, audit related or permissible non-audit services to us or (ii) with respect to non-audit services to be provided by the auditor to FCM or any entity in the investment company complex, if the nature of the services provided relate directly to our operations or financial reporting, either: (a) the Audit Committee shall pre-approve such engagement; or (b) such engagement shall be entered into pursuant to pre-approval policies and procedures established by the Audit Committee. Any such policies and procedures must be detailed as to the particular service and not involve any delegation of the Audit Committee's responsibilities to FCM. The Audit Committee may delegate to one or more of its members the authority to grant pre-approvals. The pre-approval policies and procedures shall include the requirement that the decisions of any member to whom authority is delegated under this provision shall be presented to the full Audit Committee at its next scheduled meeting. Under certain limited circumstances, pre-approvals are not required if certain de minimis thresholds are not exceeded, as such thresholds are set forth by the Audit Committee and in accordance with applicable SEC rules and regulations.

For engagements with Tait, Weller & Baker LLP, the Audit Committee approved in advance all audit services and non-audit services that Tait, Weller & Baker LLP provided to us (with respect to our operations and financial reporting). None of the services rendered by Tait, Weller & Baker LLP to us or FCM were pre-approved by the Audit Committee pursuant to the pre-approval exception under Rule 2.01(c)(7)(i)(C) or Rule 2.01(c)(7)(ii) of Regulation S-X. The Audit Committee has considered whether the provision of non-audit services rendered by Tait, Weller & Baker LLP to FCM and any entity controlling, controlled by, or under common control with FCM that were not required to be pre-approved by the Audit Committee is compatible with maintaining Tait, Weller & Baker LLP's independence.

AUDIT COMMITTEE REPORT

The Audit Committee (the "Audit Committee") of the Board of Directors (the "Board") of Firsthand Technology Value Fund, Inc. (the "Company") is responsible for assisting the Board in monitoring (1) the accounting and reporting policies and procedures of the Company, (2) the quality and integrity of the Company's financial statements, (3) the Company's compliance with regulatory requirements, and (4) the independence and performance of the Company's independent auditors. Among other responsibilities, the Audit Committee reviews, in its oversight capacity, the Company's annual financial statements with both management and the independent auditors and the Audit Committee meets periodically with the independent auditors to consider their evaluation of the Company's financial and internal controls. The Audit Committee also selects, retains, evaluates and may replace the Company's independent auditors and determines their compensation, subject to ratification of the Board, if required. The Audit Committee is currently composed of three Directors. The Audit Committee operates under a written charter (the "Audit Committee Charter") adopted and approved by the Board. Each committee member is "independent" in accordance with Nasdaq Stock Market corporate governance regulations.

The Audit Committee, in discharging its responsibilities, has met with and held discussions with management and the Company's independent auditors. The Audit Committee has reviewed and discussed the Company's audited financial statements with management. Management has represented to the independent auditors that the Company's financial statements were prepared in accordance with generally accepted accounting principles. The Audit Committee has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communications with Audit Committees). The Audit Committee has received the written disclosures and the letter from the Company's independent auditors required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditors' communications with the Audit Committee concerning independence, and has discussed with the independent auditors the independent auditors' independence. As provided in the Audit Committee Charter, it is not the Audit Committee's responsibility to determine, and the considerations and discussions referenced above do not ensure, that the Company's financial statements are complete and accurate and presented in accordance with generally accepted accounting principles.

Based on the Audit Committee's review and discussions with management and the independent auditors, the representations of management and the report of the independent auditors to the Audit Committee, the committee has recommended that the Board include the audited financial statements in the Company's Annual Report on Form 10-K.

BOARD RECOMMENDATION

THE BOARD OF DIRECTORS OF THE COMPANY, INCLUDING ALL OF THE INDEPENDENT DIRECTORS, UNANIMOUSLY RECOMMENDS THAT YOU VOTE “FOR” THE RATIFICATION OF THE APPOINTMENT OF TAIT, WELLER & BAKER LLP AS THE COMPANY’S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

PROPOSAL THREE (Non-Binding Stockholder Proposal)

Stockholder Proposal to terminate the investment management agreement between Firsthand Technology Value Fund, Inc. and Firsthand Capital Management, Inc.

A stockholder, Donald Chambers, submitted the following proposal for inclusion in the Company’s proxy materials. If the stockholder, or a representative of the stockholder who is qualified under state law, is present and properly submits the proposal for a vote at the Annual Meeting, then the proposal will be voted on at the Annual Meeting. The Board of Directors unanimously recommends that you vote AGAINST the proposal. The proposal and the stockholder’s supporting statement, exactly as received from the stockholder, are set forth below and are followed by the Board’s explanation of its reasons for opposing the proposal.

SHAREHOLDER PROPOSAL AND SUPPORTING STATEMENT

Donald R. Chambers, 3012 Orourke Road, The Villages, FL 32163, beneficial owner of approximately 115,500 shares of Firsthand Technology Value Fund, Inc. (“SVVC”), submits the following non-binding proposal for consideration at the 2023 annual meeting of SVVC shareholders (or the next shareholder meeting if any shareholder meeting is held prior to the next annual meeting of shareholders).

RESOLVED: That the shareholders of SVVC hereby request that the Board of Directors take actions to replace the current investment advisor of Firsthand Technology Value Fund, Inc.

Supporting Statement:

SVVC’s 12/31/2021 annual report shows the performance (since inception date 4/18/11) of the market price of SVVC’s stock and major equity indices through 12/31/21 (a 10+ year period):

- SVVC lost more than 80% of its market value
- The S&P 500 index gained 347%
- The NASDAQ gained 542%

Poor investment decisions by Firsthand Capital Management and the massive fees paid to Firsthand Capital Management have helped cause the reported net asset value of SVVC to decline from over \$25 per share in 2018 to less than \$8 per share recently. Firsthand Capital Management’s terrible investment decisions and high fees have also helped cause the market price to drop to less than \$2 per share.

Disastrous investment decisions and exorbitant fees have been destroying SVVC. In response, shareholders overwhelmingly approved Proposal #3 at the 2020 annual shareholders meeting (held July 2020) urging Directors to: “... seek and pursue any and all measures...to allow shareholders to exit SVVC near its NAV” including orderly termination, liquidation, mergers, or other measures.

The poor investment advice needs to end. The current investment advisor needs to be replaced.

Disclosure: Mr. Chambers is a part-time employee of Merit Financial Advisors (MFA). To his knowledge, the only shares of SVVC currently held at MFA (in portfolios over which Mr. Chambers is involved) are non-discretionary shares in the account of Mr. Chambers. Mr. Chambers has recused himself from any and all decisions at MFA regarding SVVC transactions or voting (except for Mr. Chambers’ own shares) while this proposal is under consideration.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE AGAINST THIS NON-BINDING STOCKHOLDER PROPOSAL FOR THE REASONS SET FORTH BELOW.

THE BOARD'S OPPOSING STATEMENT

The strategy employed by the Company, a publicly-traded venture capital fund, requires considerable time and close attention, and often properly structured and prudent follow-on investments, to realize potential returns. Replacing the current investment advisor, with the goal of short-term gains in stock price, would interfere with the Company's ability to realize potential long-term gains from significant portions of the Company's current investment portfolio.

Business development companies (BDCs) are required to provide "significant managerial assistance" to portfolio companies of the BDC. Indeed, officers and employees of the Investment Advisor today provides guidance on management, operations, and business strategies to several of the Fund's portfolio companies. Furthermore, Kevin Landis sits on the Boards of Directors of several of our portfolio companies. The Board believes that replacing the Investment Advisor at what is a critical time for several of our portfolio companies would be unsettling to the management and governance of these firms, which the Investment Advisor and Board believe would interfere with the Company's ability to work with the management of the portfolio companies to realize potential returns for the Company's shareholders from existing investments.

It should be noted that the Board and its independent directors review the performance of the Investment Advisor regularly and, on an annual basis, determine whether to renew the Investment Advisor's contract or replace the Investment Advisor.

Your Board is confident that the Investment Advisor is acting in the best interest of all stockholders and has the potential to create the most value by continuing to execute on its strategic plans to grow the underlying value of the Company. Further, the Investment Advisor holds a unique combination of venture capital investment expertise and experience managing funds under the 1940 Act. Considering the significant potential damage that could result from replacing the Investment Advisor at this sensitive time, your Board strongly recommends you vote AGAINST the proposal.

BOARD RECOMMENDATION

THE BOARD OF DIRECTORS OF THE COMPANY, INCLUDING ALL OF THE INDEPENDENT DIRECTORS, UNANIMOUSLY RECOMMENDS THAT YOU VOTE "AGAINST" THE NON-BINDING STOCKHOLDER PROPOSAL.

COMPENSATION DISCUSSION AND ANALYSIS

Pursuant to an investment management agreement between FCM (our external manager) and us, our external manager is responsible for supervising the investments and reinvestments of the Company's assets. Our external manager, at its own expense, maintains staff and employs personnel as it determines is necessary to perform its obligations under the investment management agreement. We pay management fees to our external manager for its advisory and other services performed under the investment management agreement.

Our executive officers who manage our regular business are employees of our external manager or its affiliates. Accordingly, we do not directly pay any salaries, bonuses, or other compensation to our executive officers. We do not have employment agreements with our executive officers. We do not provide pension or retirement benefits, perquisites, or other personal benefits to our executive officers. We do not maintain any compensation plans under which our equity securities are authorized for issuance. We do not have arrangements to make payments to our executive officers upon their termination or in the event of a change in control of the Company.

The investment management agreement does not require our external manager to dedicate specific personnel to fulfilling its obligation to us under the investment management agreement or require personnel to dedicate a specific amount of time. In their capacities as executive officers or employees of our external manager or its affiliates, they devote a portion of their time to our affairs as required for the performance of the duties of our external manager under the investment management agreement.

Our executive officers are compensated by our external manager. We understand that our external manager takes into account the performance of the Company as a factor in determining the compensation of certain of its senior managers, and such compensation may be increased depending on the Company's performance. In addition to compensation for services performed for the Company, certain of our executive officers receive compensation for services performed for various investment funds of our external manager. However, our external manager cannot segregate and identify that portion of the compensation awarded to, earned by, or paid to our executive officers that relates exclusively to their services to us. Our external manager compensates our Chief Compliance Officer, subject to reimbursement by us of a portion of the related costs of that Officer's services to us, all based on terms and in amounts determined and approved by our Board of Directors.

(3) Each of Greg Burglin, Kimun Lee and Kevin Landis is a member of the board of trustees of Firsthand Funds, which operates Firsthand Alternative Energy Fund and Firsthand Technology Opportunities Fund. FCM serves as investment advisor for each of these funds.

None of the independent directors or any of their immediate family members own beneficially or of record any securities in the Investment Adviser or our underwriters in the offering of our securities from time to time, as defined in the 1940 Act, or any person directly or indirectly controlling, controlled by, or under common control with the Investment Adviser or such underwriters.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

We have entered into the investment management agreement with FCM, in which the chairman of our Board of Directors and our Chief Executive Officer and Chief Financial Officer have ownership and financial interests. The other investment professionals of the Investment Adviser may also serve as principals of other investment managers affiliated with FCM that may currently and also in the future manage investment funds with investment objectives similar to ours. In addition, our current executive officers and directors, the Chief Financial Officer and Chief Compliance Officer, and the other senior investment professionals whom FCM currently retains, serve or may serve as officers, directors, or principals of entities that operate or may operate in the same or related line of business as we do or of investment funds managed by our affiliates. Accordingly, we may not be given the opportunity to participate in certain investments made by investment funds managed by advisers affiliated with FCM. However, FCM intends to allocate investment opportunities in a fair and equitable manner consistent with our investment objectives and strategies so that we are not disadvantaged in relation to any other client of the Investment Adviser.

CORPORATE GOVERNANCE

BOARD LEADERSHIP STRUCTURE

The Company's business and affairs are managed under the direction of its Board of Directors, including the responsibilities performed for us pursuant to our investment management agreement. Among other things, the Board of Directors sets broad policies for the Company; approves the appointment of the Company's investment adviser, administrator, and officers; and approves the engagement, and reviews the performance of, the Company's independent registered accounting firm. The role of the Board and of any individual director is one of oversight and not of management of the day-to-day affairs of the Company.

The Board of Directors currently consists of five directors, three of whom are not "interested persons," as defined in the 1940 Act. We refer to these individuals as our "Independent Directors." As part of each regular Board meeting, the Independent Directors meet separately from management and, as part of at least one Board meeting each year, with the Company's Chief Compliance Officer. The Board reviews its leadership structure periodically as part of its annual self-assessment process and believes that its structure is appropriate to enable the Board to exercise its oversight of the Company.

Under the bylaws of the Company (the "Bylaws"), the Chairman of the Board presides over meetings of the Board of Directors and the Board of Directors may designate a chairman to preside over meetings of stockholders, and to perform such other duties as may be assigned to him or her by the Board. The Company does not have an established policy as to whether the Chairman of the Board shall be an Independent Director and believes that its flexibility to determine its Chairman and reorganize its leadership structure from time to time is in the best interests of the Company and its stockholders.

Presently, Mr. Landis serves as Chairman of the Board of Directors. Mr. Landis is an "interested person" of the Company, as defined in the 1940 Act, by virtue of his employment relationship with FCM. The Company believes that Mr. Landis's history with the Company, familiarity with FCM's investment platform and extensive experience in the field of technology-related investments qualifies him to serve as the Chairman of the Board. The Board has determined that the composition of the Audit, Valuation, Compensation, and Nominating Committees are appropriate means to address any potential conflicts of interest that may arise from the Chairman's status as an interested person of the Company. The Board of Directors believes that this Board leadership structure—a combined Chairman of the Board and Chief Executive Officer and committees led by Independent Directors—is the optimal structure for the Company at this time. Since the Chief Executive Officer has the most extensive knowledge of the various aspects of the Company's business and is directly involved in managing both the day-to-day operations and long-term strategy of the Company, the Board has determined that Mr. Landis is the most qualified individual to lead the Board and serve in the key position as Chairman. The Board has also concluded that this structure allows for efficient and effective communication with the Board.

The Board of Directors does not currently have a designated lead independent director. Instead, all of the Independent Directors play an active role on the Board of Directors. The Independent Directors compose a majority of the Board of Directors and are closely involved in all material deliberations related to the Company. The Board of Directors believes that, with these practices, each Independent Director has an equal stake in the Board's actions and oversight role and equal accountability to the Company and its stockholders.

BOARD ROLE IN RISK OVERSIGHT

The Board oversees the services provided by FCM, including certain risk management functions. Risk management is a broad concept composed of many disparate elements (such as, for example, investment risk, issuer and counterparty risk, compliance risk, operational risk, and business continuity risk). Consequently, Board oversight of different types of risks is handled in different ways, and the Board implements its risk oversight function both as a whole and through

Board committees. In the course of providing oversight, the Board and its committees receive reports on the Company's activities, including regarding the Company's investment portfolio and its financial accounting and reporting. The Board also reviews reports at least quarterly, and meets at least once annually with the Company's Chief Compliance Officer, who reports on the compliance of the Company with the federal securities laws and the Company's internal compliance policies and procedures. The Audit Committee's meetings with the Company's independent public accounting firm also contribute to its oversight of certain internal control risks. In addition, the Board meets periodically with representatives of the Company and FCM to receive reports regarding the management of the Company, including certain investment and operational risks, and the Independent Directors are encouraged to communicate directly with senior management.

The Company believes that the Board's roles in risk oversight must be evaluated on a case-by-case basis and that its existing role in risk oversight is appropriate. Management believes that the Company has robust internal processes in place and a strong internal control environment to identify and manage risks. However, not all risks that may affect the Company can be identified or processes and controls developed to eliminate or mitigate their occurrence or effects, and some risks are beyond any control of the Company or FCM, its affiliates, or other service providers.

ANTI-HEDGING POLICY

The Company has an anti-hedging policy applicable to directors and officers. The policy prohibits directors and officers from engaging in, among other things, short sales, hedging transactions, or trading in put and call options with respect to the Company's securities. The Company believes that prohibiting these types of transactions will help ensure that the economic interests of all directors, officers, and employees will not differ from the economic interests of the Company's stockholders.

NOMINEES FOR DIRECTOR

The Nominating Committee evaluates candidates' qualifications for Board membership. The Nominating Committee takes diversity of a particular candidate and overall diversity of the Board into account when considering and evaluating candidates for Director. While the Nominating Committee has not adopted a particular definition of diversity or a particular policy with regard to the consideration of diversity in identifying candidates, when considering a candidate's and the Board's diversity, the Nominating Committee generally considers the manner in which each candidate's leadership, independence, interpersonal skills, financial acumen, integrity and professional ethics, educational and professional background, prior director or executive experience, industry knowledge, business judgment and specific experiences or expertise would complement or benefit the Board and, as a whole, contribute to the ability of the Board to oversee the Company. The Nominating Committee may also consider other factors or attributes as it may determine to be appropriate in its judgment. The Nominating Committee believes that the significance of each candidate's background, experience, qualifications, attributes or skills must be considered in the context of the Board as a whole. As a result, the Nominating Committee has not established any litmus test or quota relating to these matters that must be satisfied before an individual may be

nominated to serve as a Director. The Board believes that Board effectiveness is best evaluated at a group level, through its annual self-assessment process. Through this process, the Board considers whether the Board as a whole has an appropriate level of sophistication, skill and business acumen and the appropriate range of experience and background.

Stockholders may recommend candidates to our Board. Any recommendation should include any supporting material the stockholder considers appropriate in support of that recommendation but must include information that would be required under the rules of the SEC to be included in a proxy statement soliciting proxies for the election of such candidate and a written consent of the candidate to serve as one of our directors if elected. All recommendations for nomination received by the Secretary will be presented to the Nominating Committee for its consideration.

COMMUNICATIONS BETWEEN STOCKHOLDERS AND THE BOARD OF DIRECTORS

Stockholders may send communications to the Board of Directors. Communications should be addressed to the Secretary of the Company at our principal offices at 150 Almaden Boulevard, Suite 1250, San Jose, CA 95113. The sender should indicate in the address whether it is intended for the entire Board, the independent directors as a group or an individual director. The Secretary will forward any communications received directly to the intended recipient in accordance with the instructions.

CODE OF ETHICS

We have adopted a supplemental antifraud code of ethics which applies to, among others, our principal and senior financial officers, including our principal executive officer and principal financial officer. Our supplemental antifraud code of ethics is filed as Exhibit 14.1 of our Annual Report on Form 10-K, filed with the SEC on March 16, 2018, and can be accessed via the SEC's Internet site at www.sec.gov. We intend to disclose any amendments to or waivers of required provisions of this code on a Current Report on Form 8-K.

We have also adopted a code of ethics pursuant to Rule 17j-1 under the 1940 Act that establishes personal trading procedures for employees designated as access persons. Access persons may engage in personal securities transactions, including transactions involving securities that are currently held by us or, in limited circumstances, that are being considered for purchase or sale by us, subject to certain general restrictions and procedures set forth in our code of ethics. Our code of ethics is filed as Exhibit 14.2 of our Annual Report on Form 10-K, filed with the SEC on March 18, 2019, and can be accessed via the SEC's Internet site. We also have a code of business conduct, which is available on our website and in print to any stockholder who requests it.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Because our executive officers did not receive any direct compensation from us, none of the Board, the Compensation Committee, or any present or former officers or employees of the Company participated in any deliberations concerning executive officer compensation.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement and annual report addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies.

This year a number of brokers with account holders who are the Company’s stockholders will be “householding” its proxy materials. A single proxy statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. If you have received notice from your broker that it will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in “householding” and would prefer to receive a separate proxy statement and annual report, please notify your broker. Stockholders who currently receive multiple copies of the proxy statement and annual report at their addresses and would like to request “householding” of their communications should contact their brokers.

STOCKHOLDER PROPOSALS

Our current Bylaws provide that in order for a stockholder to nominate a candidate for election as a director at an annual meeting of stockholders or propose business for consideration at such meeting, written notice containing the information required by the current Bylaws must be delivered to the Secretary of the Company at 150 Almaden Boulevard, Suite 1250, San Jose, CA 95113 not earlier than the 150th day nor later than 5:00 p.m., Pacific Time, on the 120th day prior to the first anniversary of the date our proxy statement for the preceding year's annual meeting; provided, however that in the event that the date of the annual meeting is advanced or delayed by more than 30 days from the first anniversary of the date of the preceding year's annual meeting, notice by the stockholder to be timely must be so delivered not earlier than the 150th day prior to the date of such annual meeting and not later than 5:00 p.m., Pacific Time, on the later of the 120th day prior to the date of such annual meeting or the tenth day following the day on which public announcement of the date of such meeting is first made. Accordingly, a stockholder nomination or proposal intended to be considered at the 2024 Annual Meeting of Stockholders must be received by the Secretary of the Company on or after November 28, 2023, and prior to 5:00 p.m. Pacific Time on December 28, 2023. However, under the rules of the SEC, if a stockholder wishes to submit a proposal for possible inclusion in our 2024 proxy statement pursuant to Rule 14a-8 of the 1934 Act, we must receive it not less than 120 calendar days before the anniversary of the date our proxy statement was released to stockholders for the previous year's annual meeting. Accordingly, a stockholder's proposal under Rule 14a-8(e) must be received by us on or before December 28, 2023 in order to be included in our proxy statement and proxy card for the 2024 Annual Meeting of Stockholders. All nominations and proposals must be in writing.
